ACE Nursery School

WELCOME TO ACE NURSERY SCHOOL

NURTURING CURIOSITY, GROWING FUTURES

big room

The big room is where we come together to learn, share ideas, and enjoy music and singing time before lunch.

little room

The little room is where the children
engage in role play and
we use this room for rest time after lunch.

Library

The library is a cosy, welcoming space where children love to read, relax and explore new stories.

hallway and stairs

workshop

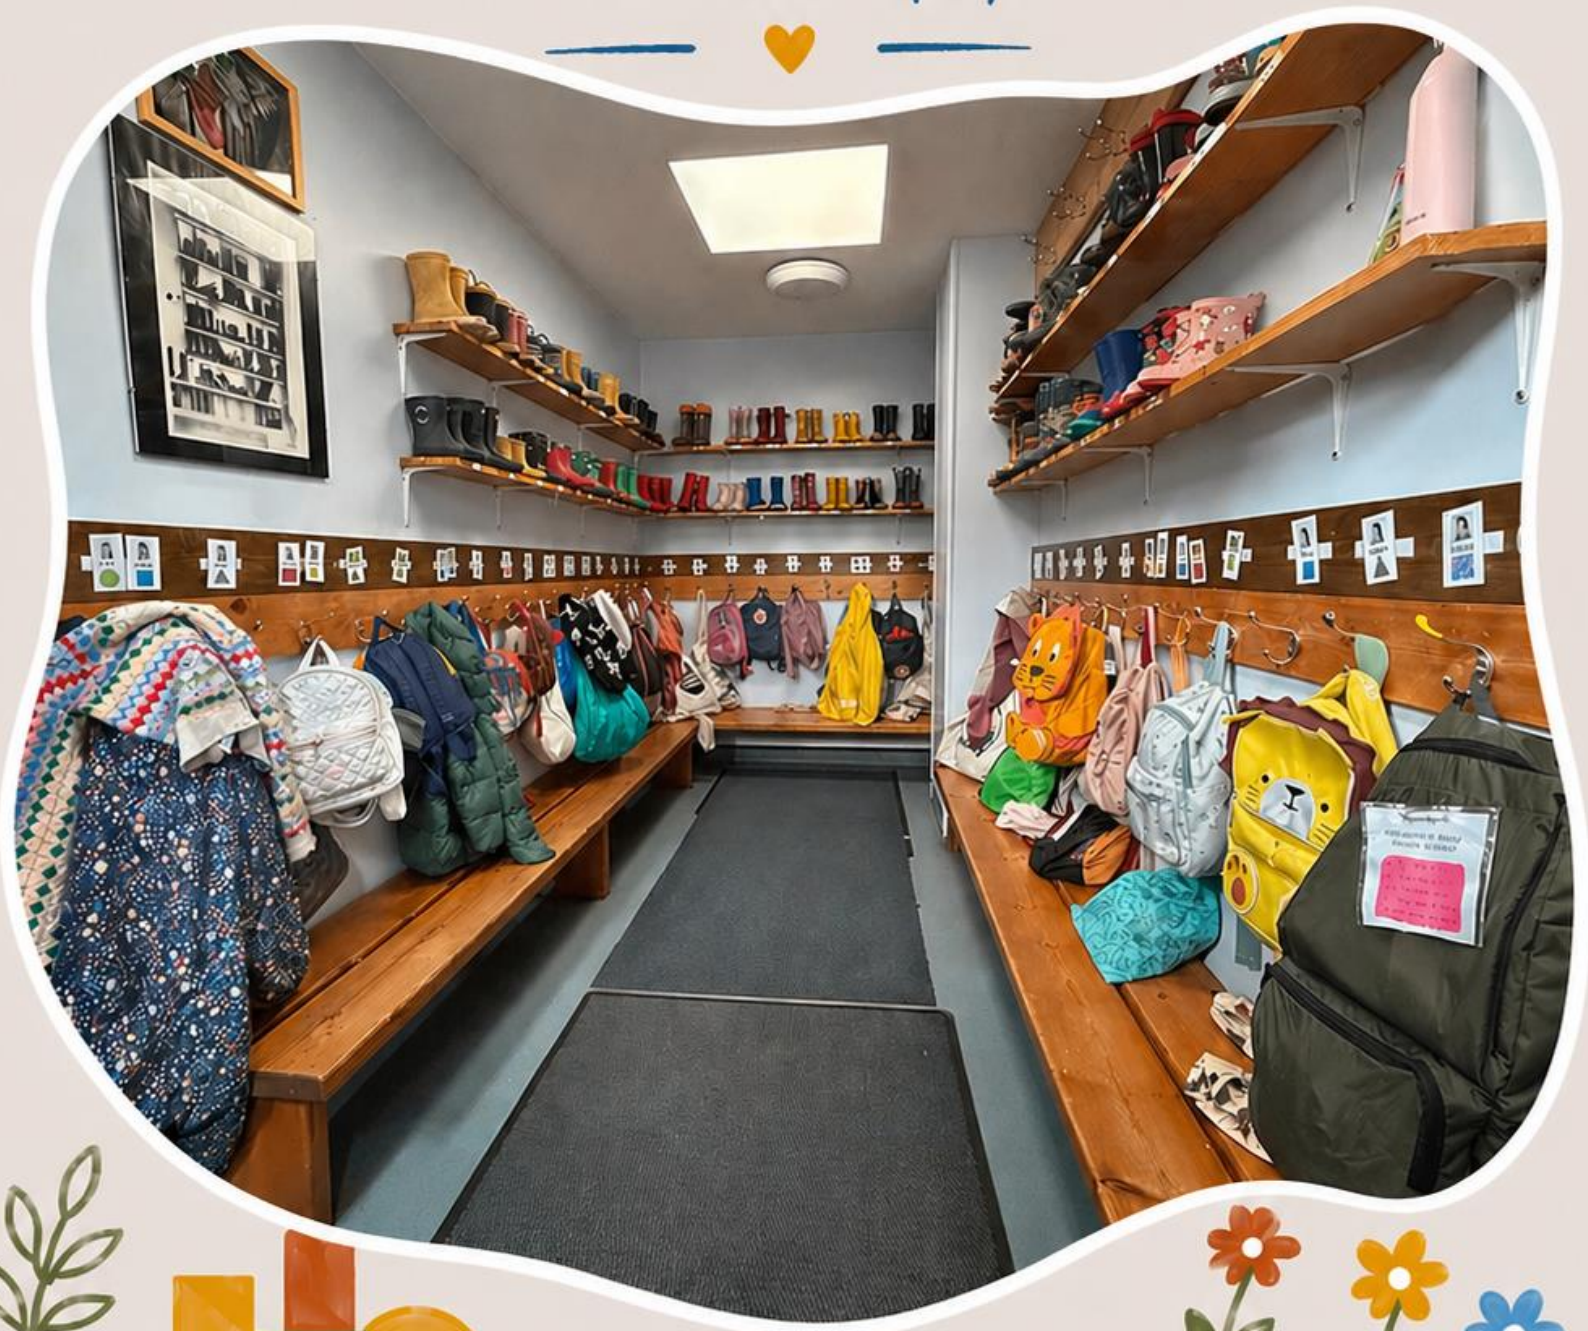
The workshop is a dedicated space designed to foster independence, creativity and critical thinking whilst learning woodcraft skills.

art room

The art room is a creative space
for children to explore, imagine
and express themselves
through art and craft.
This is also where the Puffins
eat their lunch.

Cloakroom

The cloakroom is where
children store their belongings,
coats and wellington boots
for outdoor play.



toilets

Our garden is a special place
where children explore nature,
discover and grow.

Kitchen

The kitchen is a place to cook,
create and enjoy snack time together.
This is where the Penguins eat their lunch.
