

For 2-3 year olds

All fees are charged on a calendar month basis and are payable on or before the first day of each calendar month. A returnable deposit equivalent to one month's fees is required when a place is accepted.

Fees are payable for the number of weeks of the year that the nursery is open, divided into 12 equal monthly payments. If you require assistance in calculating your fees, please let us know.

These fees are applicable from the month after the one in which your child turns two years of age.
